 **Review**

<p>Periodic reviews:</p>	<p>Volt will review this document every 2 years from the effective date to ensure it remains appropriate, or earlier if other circumstances occur which trigger the need to review the TMD.</p>
<p>Review triggers:</p> <p><i>These are events that may trigger an early review and suggest the TMD is no longer appropriate for our target market.</i></p>	<p>The distribution of this product must be reviewed, and if needed changed or withdrawn, if Volt determines that a material event or circumstance has occurred, which may include:</p> <ul style="list-style-type: none"> • receiving a significant number of customer complaints regarding the terms and conditions of this product; • Volt determining that product features (for example interest and charges) are not operating in accordance with the terms and conditions, or have significantly changed and do not match this TMD; • receiving consistent distributor feedback or reporting which suggests this product does not meet this TMD; • significant dealing in or distribution of this product outside of the suitability, conditions and restrictions of this TMD; • a regulator requiring some or all of the activities involved in distribution of this product to be changed or withdrawn. <p>Volt must notify ASIC on the above within 10 business days after becoming aware of any of these matters.</p>

Distribution Information:

This is information obtained about distribution feedback and performance to enable Volt to assess and decide whether the TMD may no longer be appropriate.

Volt will reassess the TMD to determine whether it is still appropriate based on the reporting from referring partners, or consistent feedback from referring partners or customers which suggests that the TMD may no longer be appropriate.
